4. Team substitutes shall be in accordance with regular USBC rules, that is, two substitutes in any game for team competition.
5. Team substitute who also qualified in individual play may also sub as team substitute, except that if the substitution is in the middle of a game, that bowler is no longer eligible for the singles competition.

BOWLING

I. SPECIFIC OBJECTIVES

- A. To determine the state individual and team bowling champions for boys and girls through tournament competition.
- B. To recognize the combined efforts of all participating teams and schools in the tournament.
- C. To encourage the highest principles and standards of attitude and general behavior.
- D. To promote the highest principles of good citizenship in tournament competitions.

II. OFFICIALS

Officials shall be selected by the Sport Coordinator and approved by the HHSAA Executive Director.

III. ELIGIBILITY

Each contestant must be eligible under the rules of his or her league and also under the requirements which are specified by the HHSAA.

IV. RULES GOVERNING THE TOURNAMENT

- A. The tournament shall be governed by United States Bowling Congress (USBC) rules with HHSAA provisions and modifications as needed.
- B. All non-participants are not allowed on lane approaches before and during competition.
- C. Oiling patterns of the lanes shall be the same for both HHSAA practice sessions and HHSAA tournament play.
- D. HHSAA qualifiers from the same school will be placed on the same pair of lanes during the HHSAA tournament.
- E. Any student-athlete or coach disqualified before, during or after a state tournament game/match/event for unsportsmanlike conduct, flagrant verbal misconduct, or flagrant physical misconduct shall be disqualified from his/her next scheduled state tournament game/match/event for that sport. The student-athlete or coach has the right to appeal any such disqualification to an appeals committee for the particular sport. Should a student-athlete or coach be disqualified from the final state tournament game/match/event for that sport, said disqualification shall NOT carry over to the following school year's state tournament for that sport. Instead, the student-athletes or coaches league shall determine any appropriate penalty or sanction. (Rev. 06/2013)
- F. The use of hand held electronic devices by any participant shall be prohibited during a match on the approach, in the sitting area and coaches benches. These devices include, but are not limited to, the following: MP3 players, iPods, cell phones, texting devices, e-book readers and game systems. (Rev. 06/2013)

V. TOURNAMENT REPRESENTATION

Each league shall determine the method of selecting their entries subject to the following limitation of bowlers allocated to the league.

- A. Representation for the tournament is limited to 80 boys and 80 girls. No league's entry should fall to less than six according to the formula for selecting each league's number of entries.
- B. Representation by a league is determined by dividing the league's number of teams by the total number of teams represented in the various leagues. All fractions of more than one-half shall be counted if possible to the next whole number with highest percentages and number of entries being used to keep the total number or entries per division to 80.

- C. The slot for a qualified participant who cannot participate in the match belongs only to the league in which that athlete participates. Substitutions will come from the list of league alternates, following that league's rule for qualifiers to state tournaments. If the league cannot fill the vacancy with an alternate, the vacancy will remain unfilled.

VI. TOURNAMENT FORMAT

- A. The format of the tournament shall be individual play with each bowler completing three blocks of three games each to a total of nine games extended over a two-day period. Each block of games shall be bowled on a different pair of lanes.
- A. Individual bowlers will be assigned their squad, time, lanes and position by the Sport Coordinator. Schools that are eligible for the team competition will have their starting five bowlers on the same pair of lanes.
- B. The individual champions shall be determined by the total pinfall of the nine games bowled.
- C. The team championship shall be determined by the total pinfall of the five designated bowlers whose nine game totals represent a particular school. Schools with more than five individual entries must designate the starting bowlers immediately prior to the start of the first session of their division so that the remaining bowler(s) may be assigned to another pair of lanes.
- D. Teams eligible for the team competition will be allowed to substitute during any game according to USBC rules and regulation; that is, two substitutions. Bowlers who are substitutes, as well as the bowler substituted for, are ineligible for individual awards, except where the substitute is already qualified for single competition and the substitution does not take place in the middle of the game. In this case the starting team bowler and the substitute shall trade places.
- E. Appeals to fouls must follow USBC rule 5.
- F. Ties for individual, 1st and 2nd places shall be broken, determined by a one frame (10th) rolloff until the tie is broken.
- G. BLIND SCORE in the case of injuries or illnesses will be 100 (boys) and 100 (girls). (Team score only – does not apply to individuals)
- H. On the first day of competition, the boys and girls shall bowl six (6) games in two (2) consecutive sessions of three (3) games each. A break will be given between each three (3) game session (time schedule to be worked out by state coordinator as each session will be allotted approximately three (3) hours). If the venue cannot accommodate all bowlers simultaneously, the team competition will precede the individual competition. For a small "house" (less than 34 lanes), there shall be four (4) sessions with each gender TEAMS bowling two (2) consecutive sessions with breaks given between each session. Followed by two (2) consecutive sessions with breaks for both genders INDIVIDUAL competition. For a large "house" (34 + lanes), there shall be two (2) sessions with all the boys and girls bowling simultaneously per session. There will be only one (1) break (lunch) when bowling in a large "house".
- I. The HHSAA Executive Director shall select the bowling alley with the assistance of the Sport Coordinator and Tournament Committee.
- J. No more than two coaches per team in the area immediately behind the bowlers' bench.

VII. SIZE OF TEAMS

Schools may bring an unlimited number of individuals as long as their league qualifies them and that league's entries do not exceed the total number allocated by the formula for determining representation. Individual bowlers that are only being used as team substitutes need not be qualified by the formula for determining individual representation.

VIII. SEEDING/PAIRING

Placement of bowlers shall be done by the Sport Coordinator prior to the start of the tournament. Where teams are involved every attempt will be made for placing teams on the lanes for the final sessions according to their pinfall.

IX. UNIFORMS

All participants are required to wear school designated uniforms, preferably, with school identifying insignia and/or colors.
