## **VOLLEYBALL**

### **I. SPECIFIC OBJECTIVES**

- A. To select state volleyball champions for boys and girls through tournament competition.
- B. To recognize the combined efforts of all the participating teams in the tournament.
- C. To encourage the highest principles and standards of general behavior.
- D. To emphasize respect for opponents relative to organized cheering activities.
- E. To promote the highest principles of citizenship in tournament games.

### **II. OFFICIALS**

#### **A. Qualifications**

- 1. Attend pre-tournament officials' clinic.
- 2. Evidence of having passed the National Federation Volleyball Rules Examination.
- 3. Officials are required to have officiated in league matches during the current season in order to qualify for the state tournament.

#### **B. Selection and Assignment**

- 1. The Sport Coordinator and the league Executive Directors shall select the tournament officials with the approval of the HHSAA Executive Director.
- 2. The Sport Coordinator and the Volleyball Officials Coordinator shall prepare the scheduling of officials for all tournament matches. For the championship matches, four linesmen, one umpire, one referee, one scorer and one assistant scorekeeper shall be assigned. Matches preceding the championship matches shall have two linesmen.

#### **C. Financial Allowance**

All officials shall be compensated in accordance with HHSAA rates.

#### **D. Uniform**

All state tournament officials/umpires shall wear uniforms in accordance with their sport's NFHS rules/guidelines/recommendations. In the absence of any NFHS rules/guidelines/recommendations, the sport's HHSAA Sport Coordinator shall have the final say as to the appropriateness of a state tournament official's/umpire's uniform.

#### **E. NCAA Hand Signals (Rev. 6/2012)**

The HHSAA volleyball officials will use the NCAA volleyball officials hand signals as outlined in NCAA Volleyball Officials rule book (Rule 18.1.5).

When a fault is whistled by the first referee, he or she will indicate the result of the play (loss of rally/point) followed by the nature of the fault. The second referee mimics these signals. If the fault is whistled by the second referee, he or she will indicate the nature of the fault. The first referee, if in agreement, will then indicate the result of the play (loss of rally/point); the second referee mimics that signal.

When the R2 initiates a call, the R1 will lead the R2 with the result (point/loss of rally) only.

R2 initiates a net fault:

1. Second referee blows whistle & steps to side at fault.
2. Indicates net fault.
3. Shows number of player at fault.
4. First referee repeats number of player (no net fault signal).
5. First referee shows loss of rally/point signal.
6. Second referee mimics loss of rally/point.

(Same procedure if R2 whistles center line, antenna, ball contacting standard, ball in non-playable area, illegal alignment, wrong server, etc. No need to give numbers for these violations.)

When the R1 initiates any fault, including those above, the R2 will mimic the point signal, followed by the fault signal – EXCEPT for net serve.

### III. ELIGIBILITY

- A. Each participant must be eligible under the rules of his/her league and also under the requirements as specified by HHSAA.

### IV. RULES GOVERNING TOURNAMENT

1. Decisions concerning facts—Decisions by officials concerning facts are final and not subject to protest.
2. Rule interpretation disagreement—If a playing captain or head coach disagrees with the interpretation of a rule, he/she may call this to the attention of the referee, but must do so immediately.
3. Inform referee and committee of appeals—When a coach plans to appeal the interpretation of a rule, he/she shall immediately inform the referee and through some representative present the protest and facts to the proper committee.
